Brief Qualifications for Membership in The Golden Eagles

If appropriate, include such things as: Early Jet Pilot –Aviation world records – RDT&E experience – Space exploration experience – Ace/other outstanding combat accomplishment - additional significant/outstanding aviation accomplishments.

Please be brief and factual in this summary, but do include enough information so that a Selection Committee Member, who does not know the nominee personally, will be able to make a fair and informed judgment.

A priority list of accomplishments might include, but is certainly not limited to:

1. Individual flying skills. First-hand knowledge of superior airmanship *in the cockpit* is preferred. Some examples are combat flying skills, test pilot experience, blue angel membership, setting/holding of aviation flying records, other flying service exchange performance (US or foreign).
2. Leadership skills in aviation accomplishments. In the air, from section through air wing level evidence. Including leadership skills displayed on the ground that lead to superior execution in the air should also be considered.
3. Innovative aviation accomplishments (new ideas and/or implementations).
4. Other, as you feel appropriate, but stay on the theme of aviation.
